Assignment 1 README
CSC 792 Linux Networking
Team: Khantil Choksi khchoksi
        Shubhankar Reddy skatta2

Note:
Make all shell files executable

```
$ chmod +x *.sh
```

Q4 (1)

    (a) `$ ./cpuload.sh 2 10`
    (b) `$ ./alerts.sh 2 20 0.1 0.4`
(2)
./clearlogs.sh

To run the above script every hour, we have setup the cron job, using following steps:
Step 1: Run

```
$ crontab -e
```

Step 2: Add the following line: (Make sure add absolute path of shell file)

```
0 * * * * ~/clearlogs.sh
```
